Pyramid Plus Approach (PPA) training satisfies the state requirement for Child Guidance Strategies and is considered a series training in PDIS. In order to receive a certificate of attendance you must attend **ALL 6 days of training** and complete **ALL 18 sessions**.

Targeted Audience: Early Childhood professionals and others working to improve the social emotional health of children Birth – 5 years; including administrators, coaches, trainers, teachers, Early Childhood Mental Health consultants and specialists, Early Intervention providers and other health professionals are encouraged to attend.

Structure of Training: The presentation will be hands on and interactive so participants will be able to apply information, strategies, and tools in their practice. Presentation will be delivered in a manner that systematically breaks the content into 18 sessions with specific topics and strategies, which provide concrete examples based in a variety of settings including preschool classrooms, infant toddler classrooms, and home based.

About the Trainers: Kelly Miller and Erin Bennetts has been in the field of Early Childhood Mental Health for over 15 years combined experience. They have served as a mental health consultants, therapist, coaches, and trainers to a variety of organizations in the Denver Metro area. They are known for their expertise trauma, children with special needs and developmental delays, and promoting social emotional health and wellness. Kelly is a certified Pyramid Plus Approach trainer.
